RE: proposed settlement

Dear Mr. Clements:

This letter is an offer of settlement pursuant to Colorado Rule of Evidence 408. Ms. Lawler has authorized me to make the following proposal to settle this action.

1. Follow the recommendations of the special advocate.
2. Each party pays their own attorney fees and costs to date for the case.
3. Ms. Lawler will waive any interest in the marital residence.
4. Child support will be determined as per the guidelines.
5. No maintenance will be paid by either party.
6. The motions for contempt you have filed will be dismissed.
7. Any potential action you believe you have against Ms. Lawler as of the date of the signing of the agreement can not be brought against Ms. Lawler at any time.

Thank you for your time on this matter.

Sincerely,

Katherine Grier
